Associate of Arts Degree for Transfer

The Associate in Arts in Spanish for Transfer degree provides a linguistic study of the language and an in-depth look into the culture of the Spanish-speaking world. The objective of the program is to provide students with opportunities to obtain an AA degree in Spanish, transfer to a four-year college, and achieve their academic goals. Graduates of this program will be better prepared for employment in both academic and non-academic fields, such as schools, corporations, business entities, and not-for-profits.

Requirements for AA-T or AS-T degrees:
The completion of 60 semester units that are eligible for transfer to the California State University, including both of the following:
• The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University – Breadth Requirements.
• A minimum of 18 semester units in a major area of emphasis, as determined by the district.
• The completion of all courses required for the major with a ‘C’ or better. A ‘P’ (Pass) grade is not acceptable for courses in the major.

Departmental placement evaluation determines the course level where individual students begin the core courses. Credit or placement equivalent to two years of college level Spanish is required. If a student places out of any course and is not awarded units for that course, the student will need additional coursework to reach at least 19 total units in the major.

Due to differences in unit values, it may be necessary to substitute two 3 unit courses for each 4 unit required core course not taken.*

Program Learning Outcomes
Upon successful completion, the student will:
• demonstrate the ability to speak using appropriate grammatical forms as well as vocabulary appropriate to the level of those students who are seeking an AA-T degree in Spanish. They will show this through dialogs, prepared presentations, impromptu conversations with other students and the professor.
