### Strategic Direction 1: Student Learning

A commitment to provide a holistic education that develops curiosity, inquiry, and empowered learners.

- Began course offerings at Kern Valley State Prison following the Industrial Automation Bachelor of Science degree pathway
- Increased course offerings and overall student enrollment via correspondence courses

### Strategic Direction 2: Student Progression and Completion

A commitment to eliminate barrier that cause students difficulties in completing their educational goals.

- Strategically developed course rosters to follow degree and certificate pathway completion
- Oversaw counseling and advising procedures intended to address student degree and certificate pathway completion
- Managed courses which transitioned from face-to-face instruction to correspondence modality in the midst of the COVID-19 pandemic
- Implemented innovative correspondence mechanisms for the continuity of coursework in light of circumstances

### Strategic Direction 3: Facilities and Technology

A commitment to improve the maintenance of all facilities, technology, and infrastructure and implement Measure J funding to build a better BC.

- Partnered with McFarland Female Community Reentry Facility to facilitate students’ completion of communication speech requirements through the use of audio recording devices
- Oversaw funding expenditures intended on providing students with the resources necessary for successful course completion

### Strategic Decision 4: Leadership and Engagement

A commitment to build leadership within the College and engagement with the community.
• Began a partnership with the McFarland Community Relations Board including partnering agencies representing the following organizations: The California Department of Corrections and Rehabilitation, The GEO Group, Inc., City of McFarland, McFarland Police Department, Kern County Fire Department, McFarland School District, Kern County District Attorney, Kern County Prison Ministry Alliance, and Garden Pathways

• Began a partnership with the Kern County Probation Department in planning future course offerings in a local juvenile detention center

• Partnered with the Division of Adult Parole Operations (DAPO) to offer clients’ educational resources at the first Kern County Females Achieving Change Together (FACT) Resource Fair

• Presented at the Bakersfield College’s Guided Pathways Showcase

• Contributed to the finalization of grant reporting procedures as awarded by The Opportunity Institute
