Let’s Talk

Updates
LAST YEAR, you wanted a more defined pathway for academic success.

THIS YEAR, we have explored the implementation of the Guided Pathways approach to academic success. On Feb 18, 2016, BC hosted the Guided Pathways Summit with Dr. Davis Jenkins, the co-author of the book “Redesigning America’s Community Colleges: A Clearer Path to Student Success.”
**LAST YEAR**, you wanted more engagement with **Dual Enrollment**.

**THIS YEAR**, we will expand Dual Enrollment to **10 more high schools**; a 44% increase over last year. These additional schools will participate in and **host at least one Dual Enrollment course**.
LAST YEAR, you wanted to expand the impact of Multiple Measures.

THIS YEAR, we augmented the scope of Multiple Measures. English/Reading (automated) Multiple Measures were applied to 100% of incoming new students. Mathematics Multiple Measures were applied to 85%+ of incoming new students.
High School Visits

**LAST YEAR**, you wanted matriculation services expanded at our service area high schools.

**THIS YEAR**, we ramped up and refined our coordination with our service area high schools. 2,040+ high school students became fully matriculated Renegades as a result of these visits. At these visits, Outreach, Assessment, and Counseling staff engaged with high school students over 8,500 times!
Priority Registration

LAST YEAR, you wanted a reevaluation of registration dates for students that completed the high school visits.

THIS YEAR, we issued second day Priority Registration on April 8 to 2,040+ fully matriculated Renegades because of the high school visits.

2,040+ STUDENTS

FULLY MATRICULATED & 2ND DAY PRIORITY REGISTRATION
It's exciting to reflect on the work we've accomplished!
High School Partnership

2016...And Beyond!

What is **one thing** that we can do to better to serve your high school next year?
Our Collaboration Is Paramount!

Please fill out our brief survey.
Please return your name badges.
You may place both in the Survey Box at the door.

The work that you do to help our students achieve academic success is invaluable.

Thank you.
