Strategic Direction 1: Student Learning

A commitment to provide a holistic education that develops curiosity, inquiry, and empowered learners.

- Continued course offerings at Kern Valley State Prison following the Industrial Automation Bachelor of Science degree pathway
- Increased course offerings and overall student enrollment via correspondence and in-person instruction
- Partnered with faculty to begin developing a repository of Open Educational Resources (OER) intended for student use

Strategic Direction 2: Student Progression and Completion

A commitment to eliminate barrier that cause students difficulties in completing their educational goals.

- Strategically developed course rosters to follow degree and certificate pathway completion
- Oversaw counseling and advising procedures intended to address student degree and certificate pathway completion
- Implemented innovative correspondence mechanisms for the continuity of coursework throughout the COVID-19 pandemic

Strategic Direction 3: Facilities and Technology

A commitment to improve the maintenance of all facilities, technology, and infrastructure and implement Measure J funding to build a better BC.

- Oversaw funding expenditures intended on providing students with the resources necessary for successful course completion

Strategic Decision 4: Leadership and Engagement

A commitment to build leadership within the College and engagement with the community.

- Continued a partnership with the Kern County Probation Department to plan course offerings in several local juvenile detention centers
- Partnered with the Central Valley Annex to plan course offerings in a federally contracted detention center
- Partnered with the Division of Adult Parole Operations (DAPO) to offer biweekly presentations regarding services offered by Bakersfield College to formerly incarcerated individuals
