College is more enjoyable with SI...

SUPPLEMENTAL INSTRUCTION

We are located in the area of CSS-193!
You can’t miss us...come on over and check us out!

- Great chance to get together with other students in your class
  - Compare notes
  - Discuss important concepts
  - Develop study strategies (can be used in other courses!)
  - Quiz yourself before the professor does

- Study sessions are guided by a competent student (person who gave you this paper) who has already passed this course with a high grade

- You already have to study, so why not do it in a fun way with other students in the same course?
