Bakersfield College provides opportunities for students from diverse economic, cultural, and educational backgrounds to attain Associate and Baccalaureate degrees and certificates, workplace skills, and preparation for transfer. Our rigorous and supportive learning environment fosters students' abilities to think critically, communicate effectively, and demonstrate competencies and skills in order to engage productively in their communities and the world.

WORK PLAN

MISSION
Bakersfield College’s Inmate Education Program provides educational opportunities and college courses to students currently incarcerated in local prisons, jails, or on parole.

- Develop an alternative delivery system for faculty to connect with students outside of the classroom in order to seek assistance on coursework.
- Identify and recruit additional faculty interested in teaching in the program.
- Collaborate with prison leaders to create a partnership with onsite library to store faculty items that are necessary for the course.
- Continue to offer courses in the IGETC pattern for North Kern State Prison and Kern Valley State Prison leading students to an associate degree.
- Ensure a successful implementation of the Culinary Program at McFarland Community Reentry Facility.
- Further partner with the local Parole Office to begin offering Bakersfield College courses on site in the coming semesters.
- Implement courses at Golden State MCCF and Delano MCCF

INMATE EDUCATION PROGRAM

DELANO CAMPUS
The Delano Campus provides the community with local access to Bakersfield College programs and services. The students live in Delano and the rural communities of Northern Kern and Southern Tulare counties.

- Collaborate with Department Chairs and Deans to provide courses on the Delano Campus and in McFarland.
- Implement dual enrollment on high school campuses.
- Ensure a successful 2017 Delano Pre-Commencement Ceremony.
