Early College in Kern High School District

About Early College in KHSD

- Students have the opportunity to earn an Associate Degree by the time that they graduate from high school. Students who do not participate all 4 years will earn credits towards a degree, but not an entire degree. Some pathways may not be designed for full degree completion.
- 9th through 12th grade college pathways specifically for KHSD students at 2 different locations: BC Southwest Campus (BCSW) and KHSD Career and Technical Education Center (CTEC)
- All courses are offered in the evening, after the high school day.
  - Transportation is available from school sites to and from CTEC, but transportation is not provided for BCSW classes.
  - Each course will meet 2-3 times per week, Monday through Thursday.
- Courses are FREE- tuition and fees are waived by BC and KHSD provides the required materials.
- Most courses are UC and CSU transferable and will count towards various Bachelor’s Degrees.
- Limited seats are available in each pathway. Applications will be reviewed by a committee and selected based on qualifications and fit for the program.

Available KHSD Early College Pathways
