2) ORIENTATION
   a. Online orientation
      http://www.onlineorientation.net/bakersfieldcollege
   b. In-Person orientation
      https://www.bakersfieldcollege.edu/orientation

3) ASSESSMENT –
   https://www.bakersfieldcollege.edu/placement
   a. All assessments are computerized, and untimed.
   b. Our studies indicate that students tend to do better when they are assessed in the comfort of their home HS campus.
   c. Individuals and school groups are still welcome to come to Bakersfield College to take the assessment test.
      i. Walk-ins are welcome during regular Assessment Center hours
         1. Students with disabilities needing accommodations, such as readers, scribes, &/or special software MUST register with DSPS and request the services in advance of taking the test.
         2. 661-395-4334 for students with disabilities
      ii. School groups need to make prior arrangements
         1. 661-395-4334 for students with disabilities
         2. 661-395-4468 for general student groups
      iii. Students will need to bring a photo ID (HS ID, CA ID or Driver’s License), and a pencil. No cell phones are permitted in the testing room.
   d. Practice test information can be found at:
      i. https://www.bakersfieldcollege.edu/node/16154
      ii. For a practice test, please scroll down to ACCUPLACER Practice and click on “Sample Questions” to download a sample test packet.

4) NEW STUDENT WORKSHOP
   https://www.bakersfieldcollege.edu/ed-planning
   a. This is where students complete an Abbreviated Student Education Plan (ASEP) and discover what classes they should take for the first and second semester based on assessment scores.
   b. Can be completed at a workshop at their high school, or at BC. Students with disabilities can complete this step with a DSPS counselor as part of their Intake Appointment
      i. Students should bring copies of their HS transcripts (copy or unofficial is okay) to the meeting with the DSPS counselor who might be able to apply Multiple Measures to ‘bump’ them up to a higher English or math class.

5) REGISTER FOR CLASSES
   https://www.bakersfieldcollege.edu/registerforclasses
   a. Most students register classes on their own using their ASEP as a guide.
   b. Students with disabilities registered with DSPS get first-day Priority Registration
      i. Summer and fall – Registration happens in mid-April on the same day for both sessions
      ii. Spring – Registration happens in early November
