BAKERSFIELD COLLEGE’S INDUSTRIAL AUTOMATION PROGRAM OFFERS FREE INFORMATION SESSIONS FOR CURRENT AND FUTURE STUDENTS

Bakersfield College’s Industrial Automation Baccalaureate program is offering informational sessions to inform prospective students and the public community about the details of the program and subsequent career opportunities. The Baccalaureate Program in Industrial Automation is designed to prepare individuals for technical management careers in industries that utilize automation, including the petroleum, manufacturing, logistics and agriculture industry sectors, in order to improve the regional economy.

This degree focuses on the application of electronics and computer technology to industrial automation systems, which may apply to various categories of job titles in the following areas:

- Maintenance of Industrial Equipment
- Automation (Programmable Logic Controllers/PAC’s, robotics, materials and product handling, motion control motor drives, networked control systems, automated production equipment, integration of various technologies into solutions, and related areas)
- Process Control and Measurement (Instrumentation, Industrial Measurement)
- Quality Assurance/Quality Control
- Industrial Safety and Hygiene
- Technical Management (managing technical employees)
- Operations Management (managing company operations)
- Facilities Planning, Infrastructure, Upgrade Supervision
- Operations Management
- Technical Sales and Marketing
- Design and Engineering Operations (positions that do not require the employee to have completed a four-year Engineering degree and/or be licensed)

The program prepares students for careers in the design, operation, and management of industrial automation systems focusing on the local industries that utilize these technologies, such as petroleum production, food production, fabrication, and logistics.

INFORMATION SESSIONS

The information sessions will take place on the following dates and times, at the locations listed below:

- 3/12/19 from 12:00 noon to 1:00PM in SE 46 on the BC Panorama Campus (30 min. Q&A after presentation)
BC Industrial Automation Program Information Sessions

Event: BC Industrial Automation Program Information Sessions
Day: For Immediate Release:
Contact: Marlene Heise, 661-978-8594

- 3/12/19 from 5:30PM to 6:30PM in SE 46 on the BC Panorama Campus (30 min. Q&A after presentation)
- 3/19/19 from 12:00 noon to 1:00PM in SE 46 on the BC Panorama Campus (30 min. Q&A after presentation)
- 3/19/19 from 5:30PM to 6:30PM in SE 46 on the BC Panorama Campus (Tour to be offered after presentation)

Bakersfield College provides opportunities for students from diverse economic, cultural, and educational backgrounds to attain Associate and Baccalaureate degrees and certificates, workplace skills, and preparation for transfer. Our rigorous and supportive learning environment fosters students’ abilities to think critically, communicate effectively, and demonstrate competencies and skills in order to engage productively in their communities and the world.
