To all,

This is not your average STEM Academy! Just like our weather, this Summer academy is coming in HOT!

Ever built a tiny home? Want to design your very own alternative energy source? This fun and creative academy is the perfect place to do so!

Brought to you by Bakersfield College and Chevron – Project Lead the Way, don’t miss out on a week of unique learning that you won’t come across again soon!

Feel free to reach out for any interviews or questions.

Many thanks, Marlene

Happy 4th of July: Heise Media Group will be closed on Thursday, July 4th and Friday, July 5th to observe the Independence Day Holiday. Normal business hours will resume on Monday, July 8th. Have a wonderful Independence Day and Be SAFE!
Guitar Building – INDT 201AB & INDT 2
Architecture & Design (7/15 – 7/18) – MS 9 & MS 12
Architecture & Design (7/22 – 7/25) – MS 9 & MS 10

Please feel free to reach out for any questions or interviews.

Many thanks, Marlene

Subject: MEDIA ADVISORY - 2019 Summer STEM Academy at BC

To all,

Press Coverage is available for the 2019 Summer STEM Academy, hosted by Bakersfield College.

These one-week project academies co-sponsored by Chevron – Project Lead the Way, are designed for Jr High, Middle School, and High School students interested in Science, Technology, Engineering, or Mathematics (STEM) fields. The academies will be held throughout June and July.

For more information, including a list of academies, dates, and times, please see the attached flyer.

Feel free to reach out for any interviews or questions.

Many thanks, Marlene
