Bakersfield, CA—Bakersfield College is hosting Renegade Night, a family orientation focused on Dual Enrollment and welcoming students and families to Bakersfield College. The event will take place on Wednesday, September 27th from 6:00 to 7:00 p.m. at the Delano High School Auditorium, located at 1331 Cecil Ave, Delano. The event is primarily for students and families that are enrolled in Dual Enrollment classes at Delano High School, but is open to individuals who are interested in learning about Dual Enrollment or Dual Enrollment opportunities.

**Dual Enrollment Program**

Dual Enrollment is a program in which high school students are able to take college courses during their regular school day to earn high school and college credits, with student grade levels ranging from freshman to senior. This unique partnership gives high school students the opportunity to get a head start in college. The Renegade Night family orientation is a way for Bakersfield College to welcome these high school students and their families to the Bakersfield College community.

“The dual enrollment program at Bakersfield College is a game changer in terms of providing access and equity to higher education for our students,” says Gustavo Enriquez, Program Manager, Student Success and Rural Initiatives. “Students will have an opportunity to graduate high school with transferable and or degree or certificate applicable college credits.”

Bakersfield College offers a rigorous and supportive learning environment that fosters students’ abilities to think critically, communicate effectively, and demonstrate competencies and skills in order to engage productively in their communities and the world, while simultaneously contributing to the intellectual, cultural, and economic vitality of the communities it serves.
