Bakersfield College Adjunct Hiring Fair
Accepting applications for ALL departments

Bakersfield College has been growing at a steady and impressive pace as it serves our community in ever-expanding ways. With such success and growth comes a need for more instructors. On Saturday, November 4th from 9:00 a.m. to 12:00 p.m. and Tuesday, November 7th from 6:00 p.m. to 8:00 p.m. Bakersfield College will host an Adjunct Fair in the library.

The Adjunct Fair will provide potential applicants with the inside scoop regarding the hiring process and given opportunities to complete the applications on location. Additionally, the Adjunct Fair will address how equivalency works and who may qualify for various positions. **While a Master’s Degree is usually the minimum qualification, there are exceptions to the rule and the college is ready to help potential applicants explore the possibilities.** The college is accepting applications for all departments, but is especially interested in applicants with Communication, Biology, Math, and English qualifications.

*Bakersfield College offers a rigorous and supportive learning environment that fosters students’ abilities to think critically, communicate effectively, and demonstrate competencies and skills in order to engage productively in their communities and the world, while simultaneously contributing to the intellectual, cultural, and economic vitality of the communities it serves.*
