Strategic Direction 1: Student Learning

- Completed a successful CCPT2 grant trust ending July 2021
- Hired and trained student workers to assist with summer camps
- Took lead of Chevron Design Challenge as site host
- Supported ASIT faculty members in curriculum development instruction within program pathways
- Received funds to provide materials and services for STEM camps and awareness
- Successfully completed the BC/CSUB Title V Collaborative grant (ending September 2021)

Strategic Direction 2: Student Progression and Completion

- Created pathway flow charts for areas under IT & T pathways
- Volunteered and supported CTE focused events
- Sponsored and collaborated job outlook workshops for Perkins’ programs
- Worked with ASIT faculty to contact students for program success

Strategic Direction 3: Facilities and Technology

- Utilized Perkins funds to sustain and improve areas within CTE programs

Strategic Direction 4: Leadership and Engagement

- Appointed to oversee the CTE Perkins grant
- Serve on Alliance for Career Pathways (CCPT2)
- Continued to serve on Kern County Career Expo committee
- Member of Administrative Council
- Provided ongoing communication with faculty and staff regarding applicable information, as well as opportunities for faculty professional development
