Starting on Monday, January 14, Bakersfield College will reconvene its shuttle service (the Renegade Express Shuttle) to students traveling between the Panorama campus, Weill Institute Downtown, and BC Southwest campuses. Executive Express Lines, Inc. will be supplying the buses for this shuttle service, which will be offered Monday through Thursday, from 7:00am-7:00pm at three different drop-off/pick up locations for the entire Spring 2019 semester. Each of the locations below will be marked with signage:

1. BC Circle near Admin Building (Panorama Campus)
2. BC Southwest Building
3. Weill Institute (on 21st Street)

“I am happy that we are able to continue this service for our students into the spring semester,” said Bakersfield College President Sonya Christian. “We want to make education as accessible as possible for our students, and this shuttle service is a way for us to make that happen.”

In addition to the shuttles, the Panorama campus will have carts transporting students from the south parking lots for the first four weeks of the semester. Carts will be picking up students between 7:00am and 7:00pm, Monday through Thursday, and dropping off near the Renegade Crossroads in the center of campus. Anyone who requires assistance in being transported across campus is encouraged to call (661) 395-4554.

“The shuttle from the Southwest offers a convenient way to travel between the campuses. I’m able to study while I do my work and I don’t have to search for parking,” said Bakersfield College student Beth Hilbe, BCSGA Director of Student Activities. “I’m very excited that BC is trying to help students as much as possible by extending the shuttle service into the spring,” she added.

Mission: Bakersfield College provides opportunities for students from diverse economic, cultural, and educational backgrounds to attain Associate and Baccalaureate degrees and certificates, workplace skills, and preparation for transfer. Our rigorous and supportive learning environment fosters students' abilities to think critically, communicate effectively, and demonstrate competencies and skills in order to engage productively in their communities and the world.
