Child Development Center

Accomplishments 2018-2019

They are five goals developed during the 2018-2019 program year, by the Interim Program Manager, and from the five goals, two are completed. Interim Program Manager retired during the program year and was unable to complete the additional three goals.

Plans:

1. Conduct an enrollment campaign to fully enroll all seven classrooms in the center
2. Complete construction of the new outdoor classroom toddler playground
3. Obtain a design and complete the renovation of the existing toddler playground into an outdoor classroom.
4. Hiring enough additional assistant teachers to fully staff the center.
5. Initiate a least on parent volunteer day to repair toys and upgrade remaining playgrounds.

Accomplishments:

1. There are two completed outdoor classroom playgrounds with staff who are full trained in the usage of those playgrounds.
2. Two staff training retreats were conducted in August and January, to ensure the quality of the services provided by the Child Development Center are current in the area of their discipline.
