Accomplishments for 2016-2017
BC Guided Pathways

Prepared by Stephen Waller, Dean of Instruction

- Attended the AACC Institute in Denver, CO, in October 2016. This national 3-day meeting focused on developing a College plan to improve Basic Skills pathways in conjunction with MetaMajors.
- Lead the BC STEM Completion Coaching Team during the Winter and Spring BC Institutes, and collaborated with Liz Rozell to organize the 1st STEM team meeting on February 28, 2017.
- Presented a talk on STEM Guided Pathways to Cabrillo College on March 31, 2017.
- Began organizing data and communications needed to help keep STEM students on track with the assistance of the STEM faculty.
