Student Learning

1. We have expanded our Rape Aggression Defense training and First Aid/CPR/AED training services to include the Delano Campus, Weill Institute, Southwest Campus
2. Public Safety has increased staffing to accommodate our Southwest Campus for patrol operations

Facilities and Technology

Engagement

1. Public Safety completed a college wide survey to receive feedback from students, staff and employees as to how they feel about the services offered by Public Safety.
2. Public Safety will monitor surveillance cameras when upgrades are completed. This will cover both the parking lots and interior of campus

Leadership and Engagement

1. Public Safety will begin providing required trainings this Fall Semester in:
   - Dating Violence
   - Domestic Violence
   - Stalking
   - Sexual Assault Awareness
2. Public Safety is reviewing potential cell phone apps to enhance emergency communication with our students, staff, and faculty.
3. Public Safety will be tracking the number of students served at our Arvin and Shafter sites to determine if staffing by officers is warranted.
4. Public Safety has increased a position at the Delano Campus to include a Sr. Officer and both a Sr. Officer and Officer positions have been added to the Southwest Campus.
