CCPT2 Work Plan
July 2018 to June 2019
California Career Pathway Trust II (CCPT2)
Martin Perez

Clarify the Path:

➢ Work and build on the third year of the CCPT2 grant.
➢ Maintain a program budgeting accounting system to assist in the success of the vision of CCPT2
➢ Continue to commit to the strong working relationships within BC campus, faculty and constitutes at our feeder high schools.

Get on the Path:

➢ Expansion of pathways to CCPT2 grant, adding Logistics pathways to build and sustain pathway success
➢ Collaborate with CCPT2 faculty to continue and maintain pathway success to build on, what is working and what progressive movements can be achieved.
➢ Plan and implement a CCPT2 Pathway Showcase allowing for BC pathways and consortia to “show off” areas and student projects.

Stay on the Path:

➢ Continue to gain insight and vision from my Dean and other key BC administrators here at BC.
➢ Continue to assist with dual enrollment outlook/vision and collaborations with our key stakeholders
➢ Build on the articulations and program of studies for each pathway allowing for successful student success rates and learning outcomes.
➢ Accentuate on the new Logistics pathway under CCPT2.

Meaningful Learning:

➢ Provide key paths for successful completion of pathways by providing faculty and staff essential professional development opportunities
