2018-2019 Goals:

Strategic Direction #1: Food Service Relocation

Goal #1
Oversee construction crew completion of plans for new commissary and swing space for temporary cafeteria location. (Huddle)

Goal #2
Successfully move out of existing kitchen and into temporary swing spaces until new kitchen is constructed.

Estimated time of completion of goals: January 2019

Strategic Direction #2: Provide additional options to feed the students and staff

Goal #1
Solicit additional catering trucks to come on campus.

- In addition to the Pita Paradise Truck and Taco Truck, I am working on additional trucks to come on campus. The goal is to provide a variety of options in addition to the food at the Huddle for students to choose from.

Goal #2
Purchase Food Trailer to absorb some of the food necessities of the campus and generate revenue for the department.

- Use acquired trailer to satisfy catering events.
- Utilize food trailer at the football games in addition to the concessions.
- Trailer will park outside the Huddle along with the other food trucks to provide services to staff and students.

Estimated time of completion of goals: Fall 2018
**Strategic Direction #3: Creating a New Food Destination**

**Goal #1**

Create a new menu for the Huddle one that can accommodate our new location challenges and the absence of open flame cooking.

Re-organization of staff to service the campus at the Huddle and execution of food items at the new commissary (MVC) across the street.

**Estimated time of completion: November 2018**

**Goal #2**

Create a menu, concept and branding tools, for the new food trailer.

**Estimated time of completion: September 2018**
