In 2017-2018, the number of students identified as female increased 4.3% from the previous academic year and students identified as male increased 8.3% from the previous year.

Female identified students have represented the largest percentage of the population, with an average of 8.2% more than identified male students across the past five academic years.
Since 2016-17, the “19 or less” age group represented the largest growing age group—demonstrating a 49.8% increase from 2015-16 to 2017-18.

The second largest age group (20-24) shows a drop in percentage, however, the amount of students has remained constant over the years (a -.02% change from 2015-16 to 2017-18, and it is the “19 or less” growth that has shifted the percentage proportions in more recent years.

In 2017-2018, Hispanic ethnicity represented the highest percentage of student enrollment with 65.7%, followed by White/Non-Hispanic representing 19.9% of the total population.

The Filipino and Asian ethnicity percentages increased 15.5% and 9.5% from the previous year. African-American ethnicity proportionally increased 24.1% from the previous year.
In 2017-2018, the Disabled Students Programs and Services (DSPS) represented 3.5% of the student population and Extended Opportunity Program and Services (EOPS) represented 4.1% of the total student population. CalWORKS students represent 0.2% of the unduplicated student headcount.

The number of participants in DSPS proportionally increased 7.5% and EOPS proportionally decreased 4.3% from the previous year. CalWORKS proportionally decreased 1.6% from the previous year.

**Five Year Trend: Student Headcount by Service**

- **DSPS**: 284 students
- **EOPS**: 153 students
- **CalWORKS**: 177 students

**Current % of DSPS by Disability:**

- **Attention Deficit Hyper.** (5.25%)
- **Autism Spectrum** (3.65%)
- **Developmentally Delayed** (1.69%)
- **Hearing Impaired** (5.79%)
- **Learning Disabled** (26.09%)
- **Mobility Impaired** (15.76%)
- **Other Disability** (13.62%)
- **Psychological Disability** (25.29%)
- **Speech/Language Impaired** (0.09%)
- **Visually Impaired** (2.76%)
