Welcome Message:
Registering with Navigate is quick and easy! Follow the steps below to for open courses. If you are registering for a waitlisted course, you will need to register for that course through InsideCC.

Step 1: Go to Cerrocoso.edu and click InsideCC on Cerro Coso Website

Step 2: Once InsideCC, click the Tools drop down and choose Navigate (Student), then click Login with your school account (this will take you to your Navigate homepage, or may have you log into KCCD. Log in with your student email and password and you will be brought to your Navigate homepage)

Step 3: Once you have reached the Navigate homepage, click on Planner
Step 4: Add **new term** and select the semester that you plan to attend. Then drag your courses to the term you are registering for. (You may have built an academic plan in Navigate with your advisor or counselor already. If so, these terms will already be built and you can skip this step. If you would like to build an academic plan in Navigate, you can call your home campus’s counseling department and schedule an appointment with an advisor/counselor).

Step 5: Once your semester is built, click **View/Edit Schedule** at the lower left corner of the term, when done. You will then reach the registration page.

Step 6: Click **Sections** under “My Planned Courses”, then add the course availability of your choice by clicking on hamburger drop and **Add Section**.
Step 7: After you have added your courses and are ready, you can **Pay Tuition** and/or **Register** for your courses with one click!

*Once you have successfully registered, you will receive a Transaction Summary stating that your classes have been added.*
