General Sciences} Associate in Arts Degree

The General Sciences} Associate in Arts Degree (60 units total, {20-25} units in the major) is designed to prepare students for upper-division course work after transfer to a four-year {science} degree program. Upon successful completion of the program, students demonstrate mastery of {the scientific method, including experimental and empirical methodologies characteristic of modern science}. These skills can be applied to careers in {list applicable careers here}.

Courses required for the major at Cerro Coso Community College may not be the same as those required for the major at a four-year school. Students who plan to transfer should consult a counselor or advisor and http://www.assist. org/ to identify the courses needed for the major at the transfer school and to develop an education plan.

Students must complete a minimum of 60 units, including the courses listed in the major and general education requirements, with an overall GPA of 2.0 or better, and a grade of “A,” “B,” or “C,” in all courses for the major. A minimum of 12 units must be completed at Cerro Coso Community College.

Completion of the Cerro Coso local general education pattern does not prepare students for transfer. Students should consult with a counselor or educational advisor regarding general education options.
