Kern Community College District 2021 1st Time Degree Seeking Cohort Success Metrics Summary

This report is a summary of the student success indicators for the Fall 2021 First Time Degree Seeking cohort. First-Time is defined as students who have no prior postsecondary experience. Degree-seeking is defined as a student who, in their first fall (or summer) term, declared a goal of transfer or degree/certificate completion or enrolled in either a course leading to a degree or certificate, or a CTE course coded as clearly occupational or higher. Starting this year students with a Fraud Hold were removed from the Cohort.
