

NOTICE OF RFP CANCELLATION

March 26, 2020

Re: *Student Transportation Services RFP #BC200305*

Dear Bidder,

The Kern Community College District would like to thank you for submitting a proposal in response to our Student Transportation Services RFP for the Kern Community College District on behalf of Bakersfield College. Due to an irregularity in the solicitation observed during the RFP review process, the Kern Community College District, and its representatives, have determined it would be best to cancel the Student Transportation Services RFP.

Unfortunately, there will not be an award made at this point in time and all vendor proposals that have already been submitted as of the date of the posting of this Notice of Cancellation are hereby rejected. If we determine it best to reissue a solicitation, we will restructure the specifications to include a broader range of detail. All potential bidders will be notified upon re-release, accordingly.

Thank you again for your understanding and participation.

Sincerely,

A handwritten signature in black ink, appearing to read "Cammie Ehret-Stevens", with a large, stylized flourish at the end.
